# Remodel Omaha

D&A REMODELING, INC. **11**  
 ENTRY NUMBER ELEVEN  
 13003 SO. 29TH PLACE

## D&A Remodeling, Inc.

This was truly a whole house remodel. With a love of antiques as the driving force, the homeowners wanted an update and an increase in storage for their many collections. D&A Remodeling started with the kitchen by removing a wall between the kitchen and dining room. With the space opened up the possibilities were endless. New custom quarter sawn oak cabinets were hand crafted by Wayne Fober, owner of D&A Remodeling. Granite countertops and tile backsplash with crushed glass accent pieces added an elegant look to the mission style cabinets. Stained glass and beveled glass door inserts are pieces the homeowner had saved for this project.

The remodel continued to the basement with the creation of a bedroom, bathroom, storage area and family room. The master bath and hall bath were also completely renovated. The siding, roof and windows were all replaced as well as the deck and railing.

KATHY & WAYNE FOBER

Wayne T Fober, owner of D&A Remodeling with his wife Kathy Fober, takes pride in their hands-on involvement in each project. Wayne is an expert in woodworking and custom builds all his cabinets. Wayne has built long standing relationships with a variety of subcontractors that meet his high quality standards to provide superior customer satisfaction.

The Fobers are members of the Greater Omaha Chapter of the National Association of Remodelers and The National Kitchen and Bath Association. The company has been in business over 35 years.
